

## Members Ballot Slip

In order to save unnecessary expenditure which was impacting the financial stability of the club, the Stirling Wargamers Committee has suspended the six All Day Saturday Sessions for the current year as due to poor attendance, these sessions always resulted in a financial loss for the club.

Would you agree to a blanket increase of attendance fees as noted below to help subsidise and re-instating the Saturday sessions?

Proposed Pricing Structure for Stirling Wargamers Club Meetings:

Day	Members	Non-Members
Thursday Evenings 6-10pm	£3	£4
Saturday All Day 10am-6pm	£3	£4
